

PROFESSIONAL MEDIATION TRAINING

“Conflict Management and Basic Mediator Training (BMT)”

If you have an interest in improving your conflict resolution skills, mediation is a powerful and highly effective tool that is used world-wide groups like:

- ◆Community Leaders
- ◆HR Departments
- ◆Counselors
- ◆Legal Professionals
- ◆Teachers
- ◆Coaches
- ◆Managers
- ◆Parents
- ◆People like you!

Those who mediate conflict between individuals are impartial, understanding and attentive; Helping people communicate more clearly, sort out misunderstandings and explore possible resolutions in a safe space.

Community Mediation Center offers basic mediation training for individuals interested in becoming mediators or integrating mediation skills into current work positions and everyday life.

This 40-hour training satisfies initial requirements for becoming a Certified Mediator in regard to:

- Washington State RCWs
- Resolution Washington
